Environmental Benefits

- Safer than hydrochloric acid
- Faster than phosphoric or citric acid
- Phosphate-free
- Safer for users
- Non-corrosive to mild steel
- No chlorine
- No solvents
- Safe for septic systems

D-Mineralizer is a powerful, pleasantly scented mineral and toilet bowl cleaner. It is non-abrasive and will not pit, streak, or blacken stainless steel or aluminum.

Use it on tile, grout, stainless steel, aluminum, copper, plexi-glass, ceramic, porcelain and glass.

Ideal for restrooms, locker rooms, health/fitness centers, country clubs, long-term care centers, educational facilities, office buildings, correctional facilities, and automotive shops.

Foaming D-Mineralizer RTU

Heavy duty dilution plus extra foaming agents and just enough thickener to improve action on vertical surfaces without effecting rinsability.

2 Dilutions

LIGHT DUTY

5 oz. / gallon

Daily
Cleaning

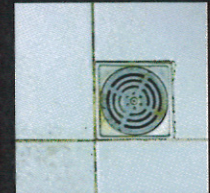

Remove light rust or mineral deposits from sinks, toilet bowls, urinals, bathroom fixtures, glass, ceramic, or drinking fountains.

HEAVY DUTY

20 oz. / gallon

Restoration
Cleaning

Heavy-duty cleaning of toilet bowls, urinals, bathroom fixtures, faucets, drains, periodic renovation of ceramic tiles, and grout lines.
