PROTECTION	B

Environmental Benefits

- User safe pH
- No harsh petroleum solvents
- Phosphate-free
- Nonylphenol ethoxylates-free (NPE)

We've fortified our popular hydrogen peroxide-based cleaner-degreaser-deodorizer with d-limonene to provide the extra power boost required in professional cleaning.

Orange Ox works quickly on any water-safe surface, both porous and non-porous, to remove dirt, grime and grease. Exceptional performance on grouted quarry and ceramic tile floors and walls.

Ideal for industrial kitchens, food processing areas, light industrial, grocery stores, automotive dealerships, educational facilities, office buildings and correctional facilities.

LIGHT DUTY

1 oz. / gallon

Daily
Cleaning

HEAVY DUTY

10 oz. / gallon
