# *Get significant savings with Wayne Select Line foaming soaps*

*Cuts liquid or lotion soap consumption ...  
by over 50%!*

- ① Select Line foam soaps expand 20 times in volume when aerated through our dispenser. Automatically discouraging over-use by providing a satisfying handful of lather with each activation.
- ② Most liquid soap gets washed down the drain in an attempt to work up a good lather. Select Line foam soaps make a dense lather before water is added.
- ③ Tests show wash stations equipped with foam soap dispensers consume 25% less water than those with lotion soaps.

*Conventional gallon packaging ...  
saves 50+ % over cartridge systems!*

- ① Cost per fill far less than single use cartridge system .... saves 60% or more.
- ② Eliminates waste of soap thrown away in "almost" empty cartridges.
- ③ Refillable soap reservoirs can be topped off on routine service visits. Eliminates empty dispensers and resulting vandalism.
- ④ Refillable dispenser reduces waste in landfills. Reservoir bottle is recyclable and reuseable.

# *Lease to Own Dispenser Program ... Less expensive than Free*

## *Reduces total cost*

The only cost that matters when cartridge soap costs three or four times the cost of bulk soap ... Free dispensers are very expensive.

## *Pays for itself out of savings*

If you use 1 cartridge of foam soap per dispenser per year, our system guarantees 25% cost reduction. 2 cartridges per dispenser and you'll save 40+%. 3 cartridges per dispenser and savings will exceed 50%.

## *Locked in costs ... no hidden charges*

No initial cash outlay to stress budgets. Free replacement of worn or defective parts.

## *Select Line Foam Dispenser*

I109325

- ✓ For bulk foam soaps
- ✓ Made of durable ABS for long term reliability
- ✓ 1000 ml. (33.8 oz.) refillable bottle

## **Bac Off** Instant Foam Hand Sanitizer

For use wherever water is not available. Gentle foam hand sanitizer kills 99.99% of harmful bacteria within 15 seconds. Extensive kill profile includes MRSA, CA MRSA and C-Diff. Alcohol free formula does not defat skin or cause dryness. Non-staining, nonflammable, harmless to painted surfaces, finished floors or laminate counter tops. 1 gallon yields 3 times more applications than alcohol/gel.

Packed: 4-1 gallon per case

Product #: J11BOH1

6-18 ounce foamer bottles per case

Product #: J11B186

## **BAC STOP** Antibacterial Foam Handsoap

New, benzalkonium chloride based, antibacterial hand soap. Broad spectrum effectiveness against gram positive and gram negative bacteria. Kills 99.99% of harmful bacteria within 15 seconds including MRSA, CA MRSA and C-Diff. Non-drying, contains moisturizers to leave skin soft and supple.

Packed: 6-1 gallon per case

Product # J11BSA1

## **Clear Bac** Antibacterial Foam Hand Cleaner

Premium quality, antibacterial skin cleaner made with cosmetic grade detergents, trichosan anti-bacterial and aloe vera skin conditioner. Regular use in schools and offices helps control the spread of infection and reduce absenteeism. No artificial colorants to discolor vanity or counter top. Pleasant fragrance.

Packed: 6-1 gallon per case

Product #: J11CB1

## **Clear Choice** Foaming Handwash with Aloe Vera

A premium grade handwash made to compliment foam dispensers. One shot from our Select Line dispenser generates a satisfying handful of lather to discourage over use and waste. Clear Choice has a high concentration of natural aloe vera to sooth skin and replace natural oils lost in washing. No artificial colorants that could discolor vanity or counter top.

Packed: 6-1 gallon per case

Product # J11CC1

## **Premium Choice** Foaming Shampoo and Shower Wash

High concentrated formula produces copious, substantial foam that stands up in the shower. Leaves hair soft and manageable. pH balanced for mildness. Pleasant fragrance.

Packed: 6-1 gallon per case

Product # J11PC1
