

Wayne®

Vision 32 Super Concentrate

PRODUCT ADVANTAGES

INSTITUTIONAL STRENGTH

Vision is formulated to meet industrial, institutional and commercial requirements as a heavy duty glass cleaner. Fortified with ammonia, Vision dissolves cooking oil, smoke film, smudges, dirt, fingerprints, hair spray and lipstick.

FAST AND EASY-TO-USE

Vision cleans fast and dries easily with a minimum of wiping. Surfaces are left sparkling clean and free of film, streaks and smears.

ECONOMY

At a 32-1 dilution, Vision will produce a cleaning solution equal or superior to most commercial glass cleaners traditionally sold in ready-to-use form.

- Streak Free Cleaning, Cuts Oily Film, Fast Drying, Low Use Cost

PRODUCT PLACEMENT

Every-Day is suggested for use as a daily maintainer for toilet bowls, urinals, ceramic and plastic tile, porcelain and enamel sinks and basins, toilet seats, modesty panels and walls.

WASTE NOT SYSTEM

Every-Day is supplied as a manufacturing concentrate and must be diluted with water before use. To eliminate waste and insure economy and safe handling, the use of a controlled dispensing system is highly recommended. A complete selection of proportioning devices and secondary labels is available through your Wayne Representative.

SPECIFICATIONS

Table with 2 columns: Property and Value. Includes pH concentrate (11.1), pH 10% solution (10.7), Specific gravity (9039), Density (7.52#/gal.), Solvents (Isopropanol, Butoxyethanol, Ammonia), Solubility in water (Infinite), Stability (1 year minimum), Flash point concentrate (81° F), Flash point dilutes (None), Activity ingredients (70.2%).
