Dust Mop Treatment

V.O.C. compliant
Improves dust pick up on mops and cloths

This easy-to-use product controls dust on any surface, Spray it on your dust mop or cloth with the fine mist nozzle to prevent germ-filled dust from scattering. Reduces airborne dust when cleaning to help protect the building environment. A routine dust mop treatment program will extend the life of the floor finish and help maintain the gloss.

Areas of use

Vinyl, asphalt, rubber and linoleum floors
Furniture
Venetian blinds
Vinyl tile
