# **EMX-2**

**Solvent Base  
Water Rinsable Degreaser**

## **Convenient, Ready-to-Use Formula**

Eliminates measuring, mixing mistakes. Just the right strength every time.

## **Safe**

Non-caustic, noncorrosive. Harmless to painted surfaces, rubber and plastic wire coatings.

## **Pleasant to Use**

Deodorized formula minimizes unpleasant fumes during application and eliminates residual solvent smell.

## **Fast Cleaning**

Wayne EMX-2 is a blend of selected solvents, degreasers and emulsifiers that effectively penetrate and lift grease, cosmoline, grime and oil with no brushing or scrubbing.

## **Free Rinsing**

When flushed with water EMX-2 forms a stable white emulsion that rinses easily and completely from the surface without film or residue.

## **Versatile**

Wayne EMX-2 is the ideal cleaner/degreaser for automobile engines, machinery, lawn and garden equipment, parts and concrete floors. It is also recommended as a safe solvent for the removal of tar, cosmoline and rustproofing mist from automotive finish.

## **Economical**

High efficiency cleaning, no mess-no fuss application and low initial cost make Wayne EMX-2 a real value for today's cost conscious buyer.
