## SILACLEAN

### CREME CLEANSER

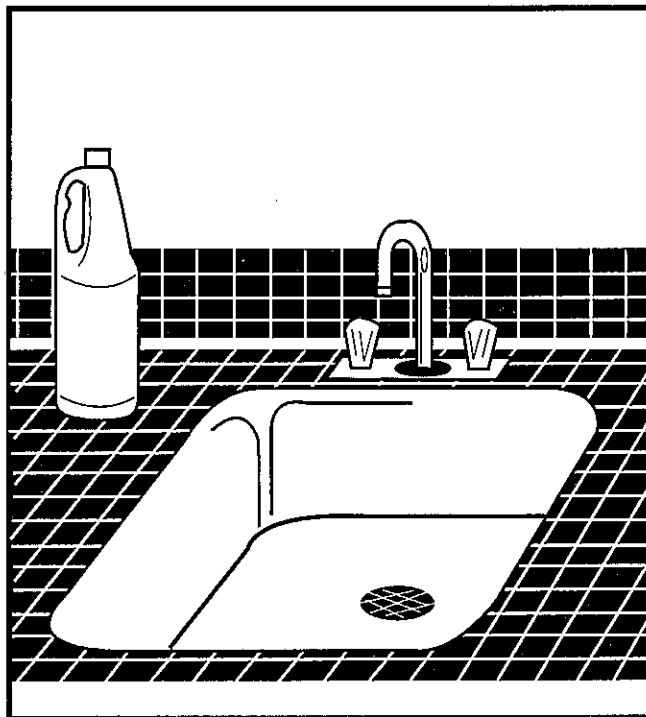

**A UNIQUE FORMULA CONTAINING HARD WORKING DETERGENTS, A MILD "JEWELER'S GRADE" ABRASIVE AND**

An extra thick, synergistically blended detergent-based cleaner designed to tackle the toughest cleaning jobs. Effortlessly removes stubborn organic stains, rust buildups, grease, oil, soap scum, rubber heel marks, and a whole lot more.

**Contains Mild Abrasives...** Our formula contains mild jewelers abrasives for deep-cleaning action, yet safe on porcelain, ceramic tile, stainless steel, fiberglass, and formica when used as directed.

**EPA Registered Formula...** Our Creme Cleanser is an EPA registered disinfectant against odor causing bacteria.

**Superb Whitening Power...** This USDA authorized formula contains an oxygen type bleach to remove stubborn coffee and berry stains.
