JSC 1.5 HP Heavy Duty Floor Machines

Heavy Duty Machines, Heavy Duty Performance

JSC's heavy duty floor machines tackle the tough conditions and win every time! Recommended for marble finishing, concrete floor scraping, sanding, and shampooing, these machines will handle the tough jobs. These heavy duty machines are a great choice for schools, libraries, office buildings, supermarkets, hospitals and anywhere a heavy duty application arises.

UL/CUL
Approved
Machine

Thumb-operated safety-switch.

Machine has a Negative Pressure ON/OFF Switch.

Comfort-style vinyl handle grips for ease of use.

Dual steel operating triggers for left or right hand operation.

Extra heavy-duty spring steel cord strain relief.

One-piece chrome, heavy-duty steel handle for optimum durability.

17 inch Standard Unit pictured above.

Premium dual-capacitor 66 frame motor for reliability.

Welded steel frame for rugged reliable performance.

Non-Marking, 5" Ball Bearing wheels.

360-degree wrap-around-and-under snug-fit bumper – no tools needed for replacement.

When the job gets tough, the tough get going with JSC's heavy duty floor machines. With a wide range of accessories and optional weights, there's no tough job these machines can't handle.

Features

- Triple idler, hardened, planetary steel helical-cut gear drives, with a solid steel coupling
- Heavy-duty cord with molded plug for long-lasting value
- All steel construction for superior strength and longevity
- UL / CUL-Approved for safe performance
