

# Every-Day

## Restroom Cleaner/Deodorant Concentrate

### PRODUCT ADVANTAGES

#### SAFE, NON-ACID FORMULA

The ideal cleaner/deodorant for all restroom maintenance. Eliminates the potential for damage associated with harsh acid or abrasive cleaners. Safe on all washable surfaces at use dilutions. Won't etch porcelain or attack brightwork on faucets or plumbing.

#### EFFECTIVE CLEANER

Built with high levels of chelating agents, water soluble solvents and surfactants, Every-Day easily removes lime and mineral deposits, soap film, body oils, cosmetics and oily soils.

#### EXCELLENT DEODORANT

Every-Day combines a powerful quaternary ammonium compounds with a pleasant, lingering fragrance to eliminate stale restroom odors and leave a fresh, floral aroma.

#### ECONOMY AND PERFORMANCE

For daily cleaning and deodorizing in schools, hotels, motels, commercial and retail buildings, a solution of 40 parts water per 1 part Every-Day (3 oz. per gallon) will provide excellent results.

For heavy soil conditions, a 9-1 dilution (13 oz. per gallon) will produce a cleaning solution equal or superior to most premium ready to use products.

### PRODUCT PLACEMENT

Every-Day is suggested for use as a daily maintainer for toilet bowls, urinals, ceramic and plastic tile, porcelain and enamel sinks and basins, toilet seats, modesty panels and walls.

### WASTE NOT SYSTEM

Every-Day is supplied as a manufacturing concentrate and must be diluted with water before use. To eliminate waste and insure economy and safe handling, the use of a controlled dispensing system is highly recommended. A complete selection of proportioning devices and secondary labels is available through your Wayne Representative.
